Dear Sir:

One of our members has been referred by MM. Feuardent Frères to you for a priced copy of the Collignon Sale. Can you supply this for our library? If so, kindly send it together with your bill, and a draft to cover will be forwarded to you upon its receipt.

If there be a charge for the catalogue, we can eliminate this by sending you our copy as soon as the one which you will have priced is received.

Very truly yours,

Secretary
